My budget is around 3,000 BDT. I want good sound quality and long battery life.

4:30 PM

Great choice! Within that budget, we recommend the XSound Pro Bluetooth Headphone.

- Battery backup: up to 20 hours
- Noise reduction feature
- 1-year warranty

No need, I see it. This is Pretty Nice!
It looks good. Is home delivery available in Dhaka?

Yes, home delivery is available all over Dhaka. Delivery charge is 80 BDT, and it usually takes 2—3 working days.
